About This Content

Starfinder Pact Worlds

The Pact Worlds are the beating heart of the Starfinder campaign setting, a solar system full of citizens both familiar and bizarre. From the cosmopolitan corridors of Absalom Station to the carnivorous jungles of Castrovel or the floating cloud-cities of the gas giant Bretheda, this hardcover rulebook is your guide to Starfinder's core worlds and civilizations, and the perfect place to launch any adventure.

Inside, you'll find:

- In-depth gazetteers of the system's 14 major worlds, from high-tech Verces and the draconic empires of Triaxus to the necromantic wastelands of Eox or magical bubble cities floating on the surface of the sun. Each gazetteer features a detailed world map, residents and cultures, settlements and adventure locations, a unique theme to customize characters from that world, and more.
- New playable alien races, from undead Eoxians to Castrovellian plant-people.
- New starships, from the living vessels of the Xenowardens to sinister Hellknight dreadnoughts.
- A codex of themed NPC stat blocks to help Game Masters create vivid encounters.

-
- New archetypes for every class, including the Star Knight, Skyfire Centurion, and Divine Champion.
 - Tons of new weapons, armors, spells, feats, magic items, technological gadgets, and more to help outfit your adventurers.

This product is not a PDF or accessible outside of Fantasy Grounds. It has been lovingly converted for use within Fantasy Grounds and features the following additions:

- All maps resized and set up with a preset grid to make combats easy to manage
- Individual area descriptions linked to maps, containing new encounters, treasure parcels and descriptions for just that area
- Tokens for each encounter are all pre-placed in starting locations on the map. You can edit these on the fly.
- Drag and drop treasure parcels and Encounter XP that is easily awarded to your players to keep the game moving ahead
- All the images and handouts from the book available to share with your players as you need them
